2.1 Survey 01 Feedback

Q If you make use of The Hub what do you use it for?

Q What other services would you like to see offered at The Hub?

- Feedback showed residents feel The Hub is dilapidated, in an awkward area of the site, and people frequently don't know what events and services are available to them.
- A detailed discussion on The Hub has been planned on how it can best service the community

12. The £73 million regeneration plans will improve the open and green spaces at Wyndford.
What are the most important changes you would like to see?

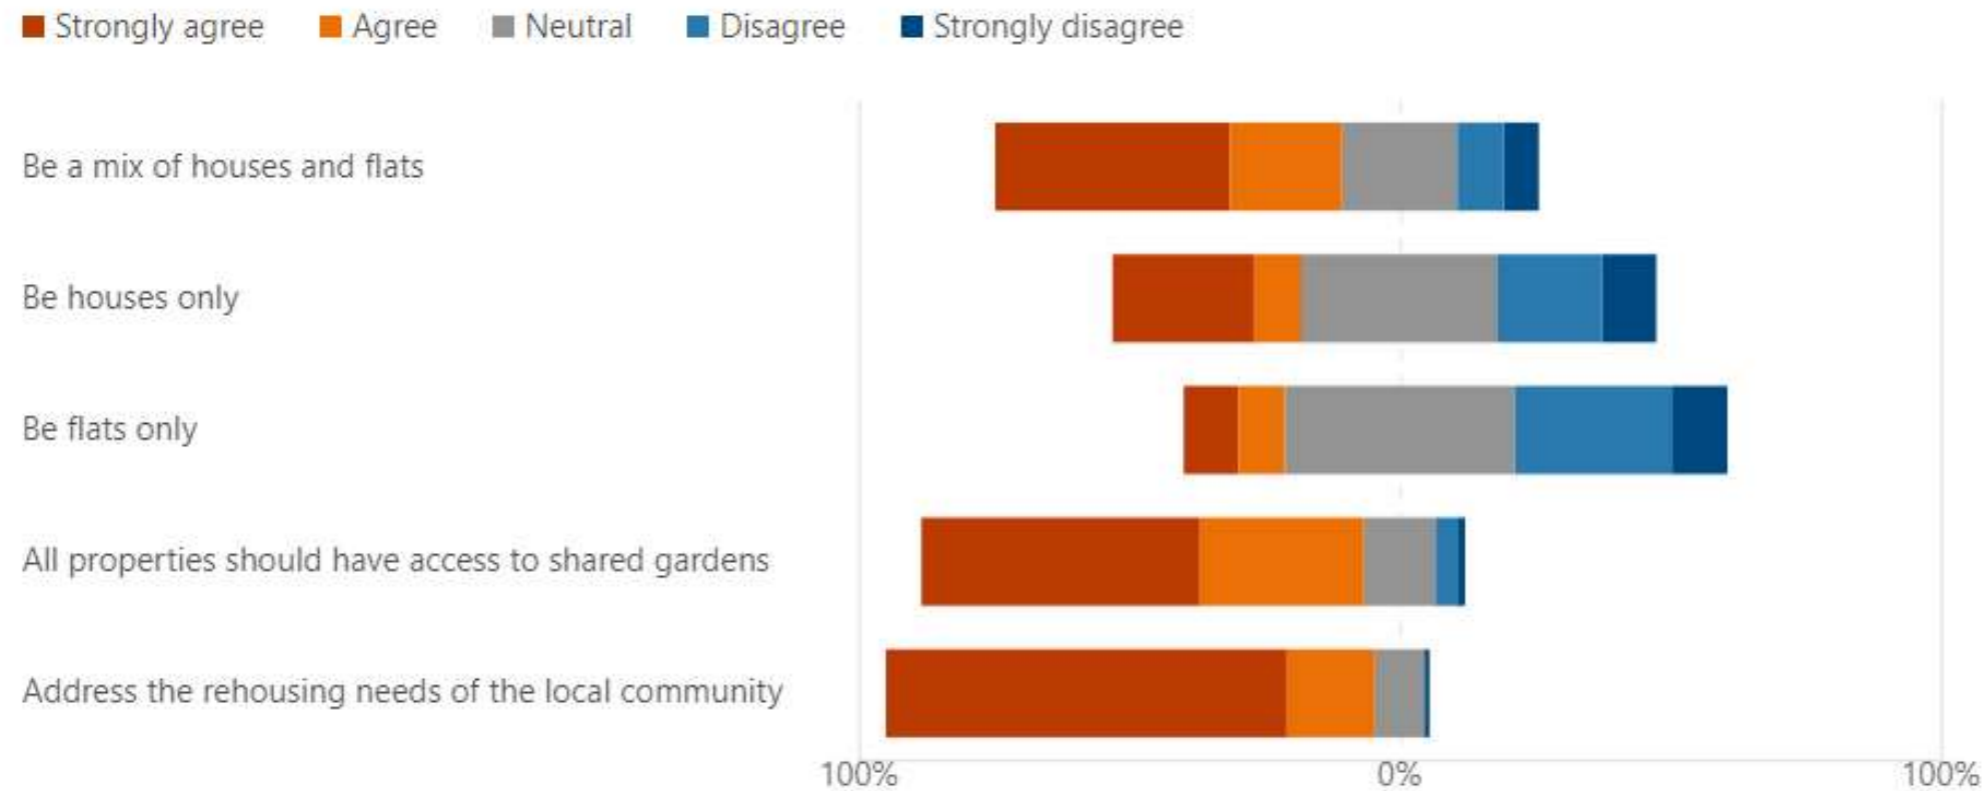

- Respondents felt most strongly about protecting nature and enhancing security in The Wyndford therefore Survey 02 will be focused on security to get more detailed information on this. The Future Focus sub group will head this also
- Parking is an issue for some residents but not for others therefore a parking study has been commissioned which will aid understanding of parking
- Residents have encouraged us to speak to younger members of The Wyndford regarding types of play, this is something we are going to action to better inform design decisions
- Residents have highlighted that the history of The Wyndford should be maintained therefore we will factor this into our detailed design
